WORK EXPERIENCE

MillerKnoll **May 2026 - August 2026**
Interiors Intern *New York, NY*
- Collaborated with the interiors team to document existing conditions and develop accurate digital models of retail environments and architectural elements using AutoCAD and SketchUp.
- Produced drawings, 3D models, and visual materials to support interior design development, space planning, FF&E coordination, and project presentations.
- Assisted in translating field documentation into design deliverables, contributing to project presentations, client communication, and internal project workflows.

Austin Architects **May 2025 - August 2025**
Intern *Boston, MA*
- Collaborated with design teams to create compelling visuals using Revit, Photoshop, and various 3D visualization software.
- Developed design presentations from initial concepts to finalized designs, enhancing communication with clients.

Rhode Island School of Design **September 2025 - December 2025**
Teaching Assistant (architectural projection) *Providence, RI*

Martha Baker Design **January 2022 - May 2022**
Intern *Greenwich, CT*
- Provided support with daily administrative tasks including answering emails and phone calls. Managed calendar updates and scheduled client meetings for Founder and Lead Designer, Martha Baker.

Awards & Honors

- **Saint Gobain Student Architecture Competition:**National Finalist. Created detailed architectural plans, renderings, and presentation materials for submission to the Saint-Gobain Student Design Competition, focusing on sustainable and adaptive reuse strategies. Developed a conceptual campus plan and an adaptive reuse scheme that were thematically and spatially integrated, emphasizing material performance and environmental responsiveness.
